

WES SIP

Vision

-At WES, we believe that any student endowed with perseverance and a strong desire to learn is capable of earning high marks.-

Mission Statement

- It is the duty of the WES to prepare its students to excel at the next stage in their educational journey, and to instill a sense of personal and community responsibility in our village and to maintain the unique tradition and history of Walung.-

SIP GOAL

By SY 2017-18, WES will increase student academic achievements through the National and State literacy and mathematics tests by at least 2%.

Objectives

- WES will increase the literacy performance of students in both the NMCT Reading and KLPT2 by at least 2% by SY 2017-18.
- WES will increase the mathematics performance of students in both the NMCT math and State-developed math tests by at least 2% by SY 2017-18.
- WES will increase parental and community involvement in all school-related activities by SY 2017-18.
- WES will improve both teacher and student attendance by SY 2017-18.
- WES will improve the Teacher Performance Standard from level 2 to level 3 or better by SY 2017-18.
